

EVERYTHING YOU NEED IN ONE CONVENIENT LOCATION

Since our humble beginnings in the 1880s, Concordia has grown considerably, now offering a continuum of care that is unmatched in the area. Without ever leaving our Cabot campus, patients and residents have access to our complete, award-winning CARF-CCAC accredited Aging Services Network – which means there is a full range of healthcare-related services to match the needs of you or your loved one: assisted living, medical and rehabilitation services, medical equipment, pharmacy services, visiting nurses, skilled nursing, retirement apartments, even inpatient hospice services should the need arise.

And even with this growth, our goal at Concordia is to treat each person the same way they were treated 130 years ago – like a respected friend and family member.

For more than 125 years, Concordia Lutheran Ministries has been a place with a mission of caring and comfort. A place for healing. A place where heartfelt Christian faith and a strong sense of service to others help us make a difference in people's lives every day.

A PLACE FOR CARING

Just like a caring family member, Concordia Adult Day Services is here to offer encouragement and assistance in a safe, enjoyable environment – always in a way that preserves dignity and respect.

Located in the Lund Care Center on the Concordia at Cabot campus, the program provides those with physical difficulties or diminished reasoning skills (such as dementia and Alzheimer's disease) a safe and secure environment to feel welcome and at ease. Equally valuable is the often-needed outlet for friendship and companionship our Adult Day Services offer.

Our program extends well beyond basic care. Other services include:

- Ongoing written evaluations of each participant
- Medical oversight by an on-site LPN (available as needed)
- Nutritious meals and snacks
- Daily activities and exercise class
- Worship services and pastoral visits

Our compassionate staff can also escort participants to other services on our campus, including Beauty/Barber Shop, Physician's Suite, Physical Therapy and more.

A PLACE FOR COMFORT

Whether it's the smiles on the faces of our caregivers, the cozy, home-like furnishings or the beautiful surroundings at our Cabot campus, the environment at Concordia Adult Day Services is one of safety, security and most of all comfort.

Our location offers two programming areas, a living room and an outdoor patio with a swing, picnic area and garden.

A PLACE FOR PEACE OF MIND

WE PUT OUR FAITH IN CARING, EVERY DAY

It's one thing to offer Adult Day Services. It's another to have a staff that cares enough to perform those services the same way a family member would – and that's exactly how we approach each day.

Our compassionate staff undergoes a rigorous screening process, receives ongoing training and has a firm understanding of the Concordia standard of excellence. They are faithfully dedicated to providing the highest quality of personalized care imaginable, and we wouldn't have it any other way.

In addition to our exceptional staff-to-resident ratio, volunteers and fellow residents offer companionship.
