“Meet the Instructor” Social

Tuesday, January 31, 2012

2:00 pm, Haven 3 Dining Room

A Survey of Christian Hymnody

A hymn is a poem addressed to God. Hymns may be recited or sung. They are for personal devotion or congregational use. Collections of hymns have been used for approximately 500 years. The Psalms from the Bible were sung in their day. Hymn books are very ecumenical containing hymns from many different denominations and translations from many languages. No text needed. Passouts will be used.

Instructor: Dr. Harold Schnaible, Haven 1 resident

Location: Haven 1 Activity Room

Sessions (5) 1:00-2:00 pm Tuesdays (2/21-3/20)

Cost: \$20 for Concordia residents

\$30 for community

Computers Sluggish?

Welcome to Computer Maintenance 101. This new class will teach you the basics of computer maintenance – back-up, disk clean up, defrag and more.

Instructor: Jeremy Densmore, Concordia Computer Technology Staff

Location: Haven 3 Computer Lab

Sessions: (2) Tuesdays (3/6) and (3/13)

Cost: \$10 for Concordia residents

\$15 for community

Email Basics

If you've ever wondered about using Email to correspond with your friends and family, look no further. You will learn how to access Email from any computer, anywhere in the world. You should have basic computer skills and know how to start and shut down the computer, how to access the Internet and be comfortable with the keyboard and mouse. Maximum number of students is six.

Instructor: Larry Plowman, Instructor, Butler County Community College

Location: Haven 3 Computer Lab

Sessions (3) 2:30 – 4:00 pm Monday (3/19), Wednesday (3/21) and Thursday (3/22)

Cost: \$15 for Concordia residents
\$25 for community

Requirement: Introduction to Computers of basic computer skills. We will be contacting you to ensure you are set up with a Yahoo email password and ID to allow for teaching consistency. Skill sets learned from Yahoo email can be transferred to other types of email accounts.

“Everything You Ever Wanted To Know About Computers”.

You have questions; we have answers. Computers can be very complex and have you scratching your head at times. If you sign up, we will be asking you to submit your questions in advance for Jeremy Densmore, Concordia's own popular computer expert. He'll help clear some of the mystery out of the computer confusion.

Instructor: Jeremy Densmore, Concordia Computer Technology Staff

Location: Haven 3 Computer Lab

Sessions (1): 2:00 pm Tuesday (3/20)

Cost: Complimentary to all students

"Read It and Mean It!"

We will work on making the printed word come alive for your listeners by the use of careful intonation, pronunciation, emphasis, facial expression, gestures, dialect, meaningful delivery and interpretation. We will include choice of interesting prose and poetry that is well known and tried and true, as well as original readings for those who choose to compose.

Instructor: Norma Laughner, Haven 1 resident and retired Speech Instructor

Location: Haven 1 Activity Room

Sessions (5) 2:00-3:30 pm Tuesdays (2/21-3/20)

Cost: \$20 for Concordia residents
\$30 for community

Tosca: Beauty and the Beast!

A diva, a painter, and the chief of police, these are the central characters in one of Puccini's most powerful and beloved operas. Floria Tosca, a celebrated singer, is in love with Mario Cavaradossi, a painter, but the evil Baron Scarpia, the chief of police, has sworn to possess her. From the three opening chords, Puccini informs us that we are in for sinister developments. This presentation explores Puccini's masterful and beautiful setting of this story set amidst the chaos of revolution in Rome, and examines the circumstances affecting Puccini while composing it. We will also discuss the cast and production of the upcoming performances of *Tosca* by the Pittsburgh Opera (a trip will be offered to one of the performances).

Instructor: Jno L. Hunt, "John," Ph.D. in Musicology, The University of Michigan

Location: Haven 1 Activity Room

Sessions: (1) 2:00-3:00 pm Thursday (3/8)

Cost: Presentation is complimentary.

Look for this upcoming course this Winter—date to be determined. *What about Marcellus Shale?* by Adrienne Carney, Consol Energy Senior Projects Manager.
