

Worry Free Retirement Living

For some, it's the prospect of never again having to shovel the walk. For others it's the concept of being part of a thriving, caring community. Or, it's the fact that all services are on one campus.

By offering the best combination of quality, security and value, Concordia Haven allows you to enjoy your retirement years to the fullest. And there's never been a better time to take a look – most of our apartments come standard with a washer/dryer and balcony or patio.
