

## Welcome to Camp Good SAM

Camp Good SAM is a collaborative effort of Good Samaritan Hospice and YMCA Camp Kon-O-Kwee Spencer. As a non-profit hospice founded on Christian principles, Good Samaritan Hospice has served community residents in five counties surrounding Pittsburgh since 1998 as both a home-based and residential hospice.

YMCA Camp Kon-O-Kwee Spencer, a non-profit charitable camp owned by the YMCA of Pittsburgh, has served youth as a summer camp since 1926. It has developed into a facility providing camping and conference programs to Western Pennsylvania and participants from all over the United States and around the world.

Together, Good Samaritan Hospice and YMCA Camp Kon-O-Kwee Spencer are ministering to what is often a forgotten population – grieving children.

Camp Good SAM provides a safe, caring environment for children to acknowledge their grief and journey toward healing. The camp offers a special combination of fun, recreational activities and supportive discussion to help campers build trust, self-esteem and coping skills.

## HOW DOES CAMP GOOD SAM HELP?

Losing a loved one is difficult for adults. Imagine what it's like for children. Most children have never met another child who has experienced a similar loss. Camp Good SAM understands.

We believe that children deserve the opportunity to express feelings of grief in a supportive and understanding environment. Camp Good SAM provides a safe place to meet other children who understand what they are going through.

Our specially designed program includes individual and team projects, supportive discussion groups, and crafts. Facilitated by grief specialists and trained camp counselors, these activities help campers cope with their loss, find ways to channel their feelings and begin to heal.

Camp Good SAM isn't just about sharing feelings and coping with tragedy. Camp also includes fun and laughter with recreational activities like swimming, nature hikes, a zip line, climbing walls, ball games and campfires.

## CAMP GOOD SAM CAMPERS LEARN TO...

- acknowledge the death of a loved one
- accept their grief as normal
- express feelings in a constructive way
- remember those who died
- reach out to others for help
